NOTICE OF PRIVACY PRACTICES

THIS NOTICE DESCRIBES HOW YOUR HEALTH INFORMATION MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY. YOU MAY HAVE ADDITIONAL RIGHTS UNDER STATE AND LOCAL LAW. PLEASE SEEK LEGAL COUNSEL FROM AN ATTORNEY LICENSED IN YOUR STATE IF YOU HAVE QUESTIONS REGARDING YOUR RIGHTS TO YOUR HEALTH CARE INFORMATION.

EFFECTIVE DATE OF THIS NOTICE

This notice went into effect on January 1, 2020.

ACKNOWLEDGEMENT OF RECEIPT OF PRIVACY NOTICE

Under the Health Insurance Portability and Accountability Act of 1996 (hereafter, "HIPAA"), you have certain rights regarding the use and disclosure of your protected health information (hereafter, "PHI").

I. MY PLEDGE REGARDING HEALTH INFORMATION:

I understand that health information about you and your health care is personal. I am committed to protecting health information about you. I create a record of the care and services you receive from me. I need this record to provide you with quality care and to comply with certain legal requirements. This notice applies to all of the records of your care generated by this mental health care practice. This notice will tell you about the ways in which I may use and disclose health information about you. I also describe your rights to the health information I keep about you, and describe certain obligations I have regarding the use and disclosure of your health information.

I am required by law to:

- Make sure that PHI that identifies you is kept private.
- Give you this notice of my legal duties and privacy practices with respect to health information.
- Follow the terms of the notice that is currently in effect.

II. HOW I MAY USE AND DISCLOSE HEALTH INFORMATION ABOUT YOU:

For Treatment Payment, or Health Care Operations: Federal privacy rules allow a health care provider who has a direct treatment relationship with the patient/client to use or disclose the patient/client's personal health information without the patient's written authorization, for the purpose of coordinating treatment, and to carry out the health care provider's health care operations. This means that I may disclose your PHI with another licensed health care provider in order to assist that clinician in the diagnosis and treatment of your health condition. I may also use your PHI for operations purposes, including sending you appointment reminders, billing invoices and other documentation.

The word "treatment" includes, among other things, the coordination and management of health care with a third party, like an insurance company, consultation between health care providers, and for referral of a patient from one health care provider to another.

Lawsuits and Disputes: If you are involved in a lawsuit, I may disclose health information in response to a court order. I may also disclose health information about you or your minor child(ren) in response to a subpoena, discovery request, or other lawful process by someone else involved in the dispute. You will be fully informed about the request, and all efforts will be made to fully discuss any such request. I am committed to protecting your information to the extent allowed by the law.

III. CERTAIN USES AND DISCLOSURES REQUIRE YOUR AUTHORIZATION:

1. **Psychotherapy Notes.** I keep “psychotherapy notes” as that term is defined in 45 CFR § 164.501, and any use or disclosure of such notes requires your Authorization unless the use or disclosure is:
 - a. For my use in treating you.
 - b. For my use in training or supervising mental health practitioners to help them improve their skills in group, joint, family, or individual counseling or therapy.
 - c. For my use in defending myself in legal proceedings instituted by you.
 - d. For use by the Secretary of the Department of Health and Human Services (HHS) to investigate my compliance with HIPAA.
 - e. Required by law and the use or disclosure is limited to the requirements of such law.
 - f. Required by law for certain health oversight activities pertaining to the originator of the psychotherapy notes.
 - g. Required by a coroner who is performing duties authorized by law.
 - h. Required to help avert a serious threat to the health and safety of others.
2. **Marketing Purposes.** I will not use or disclose your PHI for marketing purposes.
3. **Sale of PHI.** I will not sell your PHI.

IV. USES AND DISCLOSURES THAT DO NOT REQUIRE YOUR AUTHORIZATION.

Subject to certain limitations in the law, I can use and disclose your PHI without your Authorization for the following reasons. I have to meet certain legal conditions before I can share your information for these purposes:

1. I may use and disclose your PHI to contact you to remind you that you have an appointment with me.
2. When disclosure is required by state or federal law, and the use or disclosure complies with and is limited to the relevant requirements of such law.
3. For public health activities, including reporting suspected child, elder, or dependent adult abuse, or preventing or reducing a serious threat to anyone’s health or safety.
4. For health oversight activities, including audits and investigations.
5. For judicial and administrative proceedings, including responding to a court or administrative order or subpoena. My preference is to obtain an Authorization from you before responding to any such order, if I am so allowed by the court or administrative officials.
6. For law enforcement purposes, including reporting crimes occurring on my premises.
7. To coroners or medical examiners, when such individuals are performing duties authorized by law.
8. For research purposes, including studying and comparing the mental health of patients who received one form of therapy versus those who received another form of therapy for the same condition.
9. Specialized government functions, including, ensuring the proper execution of military missions; protecting the President of the United States; conducting intelligence or counterintelligence operations; or, helping to ensure the safety of those working within or housed in correctional institutions.
10. For workers’ compensation purposes. Although my preference is to obtain an Authorization from you, I may provide your PHI in order to comply with workers’ compensation laws.
11. For organ and tissue donation requests.

V. CERTAIN USES AND DISCLOSURES REQUIRE YOUR EXPRESS CONSENT:

Disclosures to family, friends, or others: You have the right and choice to tell me that I may provide your PHI to a family member, friend, or other person whom you indicate is involved in your care or the payment for your health care, or to share your information in a disaster relief situation. The opportunity to consent may be obtained retroactively in emergency situations to mitigate a serious and immediate threat to health or safety or if you are unconscious.

VI. YOU HAVE THE FOLLOWING RIGHTS WITH RESPECT TO YOUR PHI:

1. **The Right to Request Limits on Uses and Disclosures of Your PHI.** You have the right to ask me not to use or disclose certain PHI for treatment, payment, or health care operations purposes. I am not required to agree to your request, and I may say “no” if I believe it would affect your health care.
2. **The Right to Request Restrictions for Out-of-Pocket Expenses Paid for In Full.** You have the right to request restrictions on the disclosure of your PHI to health plans for payment or health care operations purposes if the PHI pertains solely to a health care item or a health care service that you have paid for out-of-pocket in full.
3. **The Right to Choose How I Send PHI to You.** You have the right to ask me to contact you in a specific way (for example, home or office phone) or to send mail to a different address, and I will agree to all reasonable requests.
4. **The Right to See and Get Copies of Your PHI.** Other than in limited circumstances, you have the right to get an electronic or paper copy of your medical record and other information that I have about you. I will provide you with a copy of your record, or if you agree, a summary of it, within 30 days of receiving your written request. I may charge a reasonable cost based fee for doing so, and may request that we schedule a time to meet to discuss this disclosure..
5. **The Right to Get a List of the Disclosures I Have Made.** You have the right to request a list of instances in which I have disclosed your PHI for purposes other than treatment, payment, or health care operations, and other disclosures (such as any you ask me to make).
6. **The Right to Correct or Update Your PHI.** If you believe that there is a mistake in your PHI, or that a piece of important information is missing from your PHI, you have the right to request that I correct the existing information or add the missing information. I may say “no” to your request, but I will tell you why in writing within 60 days of receiving your request.
7. **The Right to Get a Paper or Electronic Copy of this Notice.** You have the right to request a paper copy of this Notice, and you have the right to get a copy of this notice by email, or both.
8. **The Right to Choose Someone to Act For You.** If you have given someone medical power of attorney or if someone is your legal guardian, that person can make choices about your health information.
9. **The Right to Revoke an Authorization.** You have the right to revoke previous authorizations at any time, with written notice.
10. **The Right to File a Complaint.** You can file a complaint if you feel I have violated your rights by contacting me using the information on page one or by filing a complaint with the HHS Office for Civil Rights located at 200 Independence Avenue, S.W., Washington D.C. 20201, calling HHS at (877) 696-6775, or by visiting www.hhs.gov/ocr/privacy/hipaa/complaints. I will not retaliate against you for filing a complaint.
